A Single Destination, Multi-Activity Tour of the California Wine Country

This trip is for people, like me, who like to take some time to explore the charms and treasures of one town and its various routes, activities, dining options, and shops. It's hard to choose between several activities when we want to do them all! On this Napa & Sonoma bike tour, you get to stay in one of the towns on our route and ride quiet back roads, take a balloon flight over the Napa Valley if you wish, hike through the Redwoods or kayak down the Russian River – all the way to the Pacific Ocean. The trip is perfect for families or small groups who just want to have fun.

On this trip, you may stay at a Character Inn, a Charming B&B, or a Boutique Hotel. You can make this a very economical tour if you choose or take this opportunity to stay at an upscale lodging at a reduced rate because you are staying for 3 nights in a row!

You will be well-equipped with our famous guidebooks detailing the history of the valleys and vineyards, dining recommendations, and detailed maps and directions to help you along the way.

If you would like to know more, send me an email at info@lifecycleadventures.com. I look forward to hearing from you!
